

HEALTH IN THE HOOD CORPORATE SPONSORSHIP PACKAGES

SEEDLING SPONSORSHIP

- ✓ At this entry-level sponsorship, corporations can support our urban farming nonprofit and have their name featured on a plaque at one of our community garden plots. This level of sponsorship helps fund the essential tools and resources needed to maintain the garden and provide educational programming to residents.

\$100,000/YEAR

HARVEST HERO SPONSORSHIP

- ✓ Corporations at this mid-tier sponsorship level will have the opportunity to name a specific urban farm within our network. This naming right will be prominently displayed at the farm location and recognized in all promotional materials related to that site. Harvest Heroes play a crucial role in sustaining our farming operations and expanding our reach within the community.

\$250,000/YEAR

GARDEN GUARDIAN SPONSORSHIP

- ✓ The Garden Guardian sponsorship level is our highest tier, offering corporations the chance to have their name associated with our flagship urban farm. This premier naming right includes prominent branding at the farm location, exclusive recognition in all marketing materials and press releases, and the opportunity to collaborate on special events and initiatives. Garden Guardians are instrumental in driving our mission forward and making a lasting impact on urban farming and food access in underserved communities.

\$500,000/YEAR
